Subject: FW: [External]LPA Supervision Public Period Ends On Mon., Nov 4th

Please accept this email in support of the proposed Licensed Psychological Associate (LPA) supervision re-adoptions (21 NCAC 54 .2008). Throughout my 25-year career as a North Carolina Licensed Psychologist, I have had the opportunity to supervise several Licensed Psychological Associates. In my opinion, experienced LPAs have the clinical knowledge and professional skills necessary to eventually practice independently, in a manner consistent with the proposed changes to 21 NCAC 54 .2008.

Kindest regards,

Stephen C. Strzelecki, Psy.D.
